Definitions

DIRECTORY: The LMSPA prints a Directory and is made available to current paid members and paid advertisers. It is a quick reference to other members and industry links.

GOALS:

- To achieve and maintain high standards in quality and productivity in sheep and wool production.
- To educate the community in the uses and quality of our product.

PURPOSE:

- To provide a forum for the exchange in ideas and knowledge between members.
- To function as a source of education for the production and marketing of sheep and their related products.

The commitment of our members helps ensure growth and prosperity in the sheep industry, both locally and throughout British Columbia. We encourage people to join in the rewarding experience of raising sheep and lambs. Those already owning a flock or just wanting to learn more about sheep husbandry are cordially invited to join us.
